

RWS #1

New Testament Variety

CD CODES

CD codes for all documents are found in the left column. All labels on the CD end in pdf. Each document is numbered, with the first document being the “Table of Contents,” identical to the one you see here. It is labeled “01TC.pdf.” You will know it is the table of contents for RWS #1 because the folder it is in will be labeled “RWS0010CD.” Because this book does not include complete lessons, there are not as many codes used as you will find in other RWS books.
